

## Medicaid Training Sessions Available for Outpatient Hospital Physical Therapy, Occupational Therapy, and Speech and Language Pathology Providers

Effective for dates of service on and after March 1, 2006, reimbursement rates and program requirements will change for outpatient hospital physical therapy (PT), occupational therapy (OT), and speech and language pathology (SLP) services. These training sessions will familiarize providers with the new requirements and other Medicaid therapy-related topics. This training applies to both clinicians and billers.

Topics to be covered are as follows:

- New Medicaid requirements for outpatient hospital PT, OT, and SLP providers.
- Reimbursement.
- Medicaid provider certification requirements.
- Covered services.
- Prior Authorization/Web PA.
- Supervision requirements.
- Documentation requirements.
- Coordination of benefits.
- Claims submission.
- Physical Therapy, Occupational Therapy, and Speech and Language Pathology Services Handbook overview.

The Madison training session will be recorded and posted to the Web for on-demand viewing. Providers who cannot attend a session in person may view the recorded session at their convenience. To prepare to view the recorded session, go to [webcast.wi.gov/](http://webcast.wi.gov/). This site provides information regarding general requirements for viewing a recorded session. Once these setup requirements are met, providers may access the recorded training session at [dhfs.wisconsin.gov/webcast/](http://dhfs.wisconsin.gov/webcast/). To access the recorded session, choose "View the catalog of our webcasts," and then select "Health Care Financing (DHCF)" from the left menu. The recorded session will be available for viewing by January 17, 2006.

Providers do not need to register to view the recorded training session via the Web.

*Note:* The Division of Health Care Financing reserves the right to cancel a training session due to low registration. In the event that a session is cancelled, anyone who may have registered for that session will be notified in advance and encouraged to register for an alternate session.
